

MESSAGE FROM THE LORD MAYOR OF MELBOURNE

The City of Melbourne is proud to support SalamFest, a festival that celebrates the arts and culture of our Muslim community.

I hope that you take the opportunity to come and enjoy the performance of renowned Sufi artist Abida Parveen, along with so many other events that showcase Muslim heritage and cultural expression.

Melbourne takes pride in being a welcoming and inclusive city and festivals show us at our very best.

May I congratulate the organisers of SalamFest and wish all who attend a most enjoyable event.

Sally Capp
Lord Mayor
